Dear Sirs/Madams,

I am following up on the emergency **En Banc CDO track** initiated on Thursday, May 7, 2026, following my full payment of **PHP 3,030.00**.

Please update your records with the following physical service milestones:

1. **Physical Delivery to NPC:** Our courier records confirm that the National Privacy Commission took physical delivery of the original Notarized Complaint-Affidavit and Annexes A-G via **J&T Express (Tracking: JT0017451924270)** yesterday.
2. **Digital Integrity:** My server logs (**redberry.com** via SMTP2GO) confirm successful server-side delivery of my Thursday electronic submissions.

Given the imminent **June 7th data deletion deadline** executed by Meta AI, I respectfully request confirmation that the file has been successfully raffled to an Investigating Officer and that the Urgent Motion for CDO has been docketed for the En Banc's immediate agenda.

Sincerely,

Geoff Stow
