Dear Complaints and Investigation Division,

To streamline communications and facilitate the immediate *En Banc* review of my urgent request for an Interim Cease-and-Desist Order (CDO) ahead of the **June 7, 2026 data deletion deadline**, I am providing this clean **Master Timeline of Perfected Service** for your file:

- **May 5, 2026 (Digital & Physical Perfection):** The NPC server accepted my finalized, notarized Complaint-Affidavit (Verified via SMTP2GO Log: 250 2.6.0). Simultaneously, the physical original copy was dispatched.
- **May 7, 2026 (Emergency Track Activation):** In response to the NPC's direct guidance, I formally elected to proceed via the confidential **En Banc CDO track**.
- **May 7, 2026 (Full Payment Settled):** I settled all required fees via Landbank Link.BizPortal totalling **PHP 3,030.00** (Filing, CDO Application, CDO Bond, and LRF). The NPC confirmed receipt of this payment at 1:47 PM.
- **May 11, 2026 (Physical Delivery Confirmed):** NPC Records took physical delivery and signed for the complete hard-copy bundle via J&T Express.
- **May 13, 2026 (Supplemental Technical Brief):** Served the "People Over Platforms" global audit log confirming Meta's systemic automated decision-making (ADM) failures.

Current Status & Urgent Inquiries:

As all administrative and financial requirements were completed six (6) days ago, the case is fully perfected. I respectfully request:

1. The officially assigned **Case/Docket Number** for this matter.
2. Confirmation of the date when this Motion will be heard by the *En Banc* Commission **to prevent the permanent destruction of evidence by Meta AI**.

Sincerely,

Geoff Stow
