RE: FORMAL INQUIRY REGARDING SERVICE OF PROCESS AT MENARCO TOWER

Dear Sir/Madam,

I am the Managing Director of Redberry Software (UK) Limited. I am writing this third formal inquiry following my unanswered portal requests, the last being on 23 April 2026, screenshot enclosed.

I have attempted to serve a formal legal notice to a registered tenant on your 32nd Floor (Meta Platforms) via multiple couriers. On each occasion, building security personnel have refused to accept the documents, citing a "no mail policy."

As the building owners, please clarify:

1. Is it the official policy of Menarco Tower to prohibit the delivery of legal notices to its registered tenants?
2. What is the verified telephone number for your Ground Floor reception to facilitate the coordination of legal service?

Failure to respond to this inquiry, or a further refusal of this letter at your 30th-floor office, will be included as evidence of wilful obstruction in my upcoming filings with the **Securities and Exchange Commission (SEC)** and the **National Privacy Commission (NPC)**.

Sincerely,

Geoffrey Arthur Stow
