

**REPUBLIC OF THE PHILIPPINES
NATIONAL PRIVACY COMMISSION
Pasay City, Metro Manila**

GEOFFREY ARTHUR STOW,
Complainant,

- versus - Ref. No.: *(To be assigned)*

**META PLATFORMS INTERNATIONAL
OPERATIONS PHILIPPINES INC.,**
Respondent.

**URGENT MOTION FOR THE ISSUANCE OF A CEASE AND
DESIST ORDER (CDO)**

COMES NOW, the Complainant, **GEOFFREY ARTHUR STOW**, in his capacity as a Data Subject and a software infrastructure expert, and unto this Honorable Commission, most respectfully states:

1. **NATURE OF THE MOTION:** This is an urgent application for an Interim Cease and Desist Order (CDO) to compel the Respondent to immediately suspend the scheduled deletion of all data associated with Facebook Account <https://www.facebook.com/geoff.stow.96/>
2. **IMMINENT RISK OF DATA LOSS:** The Complainant's account was deactivated on December 9, 2025. Based on the Respondent's published data retention protocols, the associated data—including the algorithmic logs and Meta AI decision-making logic central to this case—is scheduled for **permanent and irrevocable deletion on or about June 7, 2026.**
3. **TECHNICAL NECESSITY:** As a Software Managing Director with 50 years of experience, the Complainant verifies that once this data is purged from the Respondent's servers, the subject matter of the main Complaint will be rendered moot, and the evidence required for a fair adjudication will be destroyed.
4. **PAYMENT OF FEES:** The Complainant has fully paid the required **CDO Application Fee (PHP 1,000.00)** and the **CDO Bond (PHP 1,500.00)**, as evidenced by the attached Landbank Link.BizPortal receipt.
5. **PRAYER FOR RELIEF:** Given the extreme urgency and the fact that the Respondent has wilfully evaded physical service of notice (as documented in the main Complaint-Affidavit), the Complainant respectfully prays that the Commission, *En Banc*, issue an immediate Order directing the Respondent to **PRESERVE AND RETAIN** all account data, metadata, and automated decision logs pending the final resolution of this matter.

RESPECTFULLY SUBMITTED.

May 7, 2026. Olongapo City for Pasay City, Philippines.
